The Petersburg, Va., INDEX-AP-PEAL under date of Dec. 29th says:

upon lynch-law in Texas, Fortun

"There are plenty of tough white men and tough black men in Texas. It is a toss as to which are the tougher, and the conditions would be vastly better if the toughs of both sorts were fewer; but It would seem to us that these developements should cause the white people to be more charitable with reference to our short comings, and be less severe in the metelng of the punishment.

EDUCATIONAL QUALIFICATION ARGUED. find it, as light is given me to see."

The Petersburg, Va., INDEX-APPEAL says admirable things sometimes, and seems to be actuated by
principles of right, equity and justice. In its issue of the 27th ult, it
says:

"The Baltimore Sun of last Tuesday
printed a lengthy article, sent from this
city on the subject of ballot reform in
Virginia, in which it is assumed that the
proposed constitutional convention in

Our fair-minded contemporary makes a statement and submits proof in support of the same.

means of ballot reform in Virginia and for the preservation of certain sections of the state from Negro domination. The "Sun" editorially approves the suggestion as possibly the less thing that could be done under the circumstances.

Just why so radical and sweeping a measure of political disqualification should be enacted at this time is not clear to the understanding of persons who consider such matters from other viewpoints than that of party expressed opinion that intalligation and for the preservation of the same.

Let us see. Because the personnel of the Southern representation in congress is satisfactory is no evidence that the tough element at home is not in the majority. It is but a practical demonstration of the sons who consider such matters from other viewpoints than that of party expressed opinion that intalligation and the present of the southern representation in congress is satisfactory is no evidence that the tough element at home is not in the majority. It is but a practical demonstration of the southern representation in congress is satisfactory is no evidence that the tough element at home is not in the majority. It is but a practical demonstration of the southern representation in congress is satisfactory is no evidence that the tough element at home is not in the majority. but a practical demonstration of the REFUSED THE PRESIDENT'S REso oft expressed opinion that intelligence will rule, and will exercise its a quarter a century ago or more, when power even though it be in the min the Negro was first admitted to citizenority, so far as numbers are concern- to accede to the request of President When this intell

al than others. It is the business element, the wealthy, the capitalist, who see in the suppression of crime thanks for the invita-red to attend the Thirty-versary of the Emancipaing of their brightest prospects, and in this country. the diminution of their incomes. A minority of intelligence can and does CLEVELAND can do in a foreign conncontrol a imajority of ignorance,by fair means if it can; by deceptive means if it must. The INDEX

There are also "tough" negroes, but they do not count for much except in the way of crime, and the great body of the race is quiet, peaceable, well content to work for its daily bread; and it is oreover, a most important, in fact it ight be said 'indispensable quantity in authern agricultural development.

Well, said, sir. No one condemns the tough element of our population tion right along. He speaks truly more than we. It does the race in calculable harm and should and must be sent to the rear.

We will be forward in working re form and meteing punishment, and themselves to the performance of a remains the evidences of the fiendish- applied, and death came to relieve similar task on their side of the line. ness of his murderers. But the INDEX-APPEAL does not do us full justice when it says:

Fortune doubtless is familiar with the he knows that in Virginia the whites pay more than 95 per cent. of the whole amount collected for the support of the state government. The exact figures under the assessment of 1891, were as follows: whites, \$2,836,620; negroes, \$103,565. The amount expended by the state for educational purposes is \$97,929. Appropriated in the ratio of school attendance, the white free schools get \$586,564; the percentage of the sc tax statistics of the south, and probably But how well this editor returns to the charge:

School attendance, the white free schools get \$586 564; the negro free schools, \$309,364—or three times the amount of taxes paid by the negro.
When to this sum is added the amounts
